### COLOSSIANS 4

Paul knows there are difficulties in the Christian life, and he encourages us to communicate with the Lord. Don't stop praying. We expect the Lord Jesus to come back to take the believers to heaven very soon. Thank the Lord every day for His care and promises while we watch and wait for His coming. Remember to pray for those who preach the gospel because Satan does not like the gospel and he will cause problems for the gospel preachers. Walk in wisdom when you are with unbelievers. They hear you say you are a Christian but they will watch what you do. If you do bad things or say bad words, the unbeliever will think that you are no different from them. They will think that Christianity is false and they will not believe on the Lord Jesus. Redeeming the time means to use your time to share the gospel with others when you have the opportunity. To speak with grace is to use soft words that do not offend and to be humble and be like Christ. If we joke or become angry, we will not have good answers that people will listen to. They won't believe us. Speaking with salt means to use plain and honest words so the true message is easy to understand. Paul tells us about some of his friends who also served the Lord Jesus. Then Paul sends them his personal greetings and tells them to remember that he was in bonds because he was in prison. Being in prison cannot stop the spread of the gospel. Serve the Lord wherever you are.

## Bible Questions (Ages 16 and up)

### WAIT ON THE LORD

The word "wait" (*qavah* in Hebrew), used in many verses where we read the phrase "wait upon the Lord," does not mean to sit or rest. The thought is to look expectantly while waiting for or waiting on the Lord. Psalm 123:2 explains the type of waiting that is meant: "Behold, as the eyes of servants look unto the hand of their masters, and as the eyes of a maiden unto the hand of her mistress; so our eyes wait upon the Lord our God." Waiting on the Lord does not mean that we should do nothing, but rather that we should focus on the Lord, watching for His signal to us, while we serve Him. A good waiter at a restaurant keeps an eye upon the guests he is serving (or waiting on) so that he can quickly answer even a look. Similarly, we should practice that same behavior toward the Lord. As we serve the Lord doing whatever He has put in front of us to do, we should keep our eyes, ears and hearts turned toward the Lord so that we can quickly answer His call when He looks our way. To accomplish this practically in our lives, we need to always remember that no matter where we may be, we are the Lord's servants.
